

## BLUETOOTH REMOTE (ADDITIONAL ACCESSORY)

### Remote must be paired to the player via Bluetooth before use:

1. Direct remote to the player and press any button on the remote. The remote and the player will pair automatically.
2. If the remote was already paired before, or in case of any problems: press and hold the "ENTER" and "V+" buttons on the remote for 3 seconds to put the remote into pairing mode. Use "Setup" / "System" / "Remotes & accessories" menu to unpair and pair the remote again.

### Using Remote to Control TV

You can program 4 learnable buttons (located in "TV" section: "TV DOWN", "TV UP", "TV INPUT", "TV POWER") to control your TV or other equipment:

1. Press and hold the "TV UP" and "TV DOWN" buttons on the remote for 3 seconds. LED - 🔴
2. Press one of 4 learnable buttons on the remote. LED - 🔴 🔴 🔴
3. Place your remote and the other remote on a table so that the IR emitters of both remotes are directed towards each other and are at a distance of about 1 cm.
4. Press and hold a button on the other remote until the LED indicator on your remote stops blinking. This means that the button learning is complete.
5. Learn other buttons the same way if needed (repeat steps 1-4).

### Reset Remote to Factory Defaults

Press and hold "ENTER" and "TOP MENU" buttons on the remote for 3 seconds.
